

HOUSTON STRONG

Harvey Give Back

Along with the festivities of the party, the band has teamed up with the CSHS charitable organizer Ms. Decker to give back to the community. As we all know, Hurricane Harvey affected thousands in our area, leaving some with nothing this holiday season. In accordance to this, we ask that all members of the band please bring in various items to be donated. These items include gift cards to Home depot, Lowes, HEB, or any other large home good stores, toys, kitchen ware, or any other basic necessities. These items will then be divided evenly and made into baskets to be given to families in need. This will be turned into a competition for the band to see which section can bring in the most new or gently used items to be made into the baskets. The 1st place winner of the give back will receive a section coke float / pizza party.

Teams
